ODDEKKO – TECH RIDER

Band Overview

Oddekko is a Houston-area dark-pop rock band fronted by a mother-daughter vocal duo with standout harmonies and an edgy Billie Eilish + Pink vibe. The band formed at Clear Lake School of Rock, where Maya teaches voice. Guitarists Steve and George build custom guitars and perform professional setups. Tim and Taz bring that NASA geek level. Oddekko plays a mix of Top 100 hits, classic bar rock, and Southern blues-rock, with original music that gets heads bobbing.
